Thesis Abstract Form

Last name		First name	
Title of thesis			

Thesis abstract
(the text has to fit into the space below; *currently no text formatting possible*)

Achievements during PhD

Last name		First name	

1. **Publications.** Please list ***all publications included in your PhD thesis and related to your PhD project;*** if not yet published, specify the status and the name of the journal:
   (i) accepted for publication; **(ii)** *in revision;* **(iii)** *submitted;* **(iv)** *in preparation.*
   Please also specify the type of publication: (OA) = original article; (SR)= systematic review; (MA) = meta-analysis; (NR) = narrative review.
   Format as in example below:

   Kaufmann, BC., Frey, J., Pflugshaupt, T., Wyss, P., Paladini, RE., Vanbellingen, T., Bohlhalter, S., Chechlacz, M., Nef, T., Müri, RM., Cazzoli, D., Nyffeler, T. (2018). The spatial distribution of perseverations in neglect patients during a nonverbal fluency task depends on the integrity of the right Putamen. Neuropsychologia, 115, 42-50. Doi:10.1016/j.neuropsychologia.2018. 01.025. Original article.

   Please check if you:

   ☐ have already added the GHS affiliation on each single publication

   ☐ have already registered your publications in BORIS

   To make sure, go to http://boris.unibe.ch/cgi/search/advanced and search for GHS publications. If not already registered, publications can still be registered retrospectively!
